Huachuca City School

5 November 1993

TEACHERS—JUST HANGIN' IN THERE!  
Left-right: Mrs. Waldo, Mr. Penn,  
Mrs. Granger, Mrs. Bennett. On the  
ground: Mrs. Black (in crook of tree)  
Mrs. Bledsoe.

*Don't forget! November 11  
Veteran's Day - No School!*

## MRS. WALDO....FOURTH

Our class is learning to sign the song "Sunshine on My Shoulder" and it is so beautiful to watch them!

We're also into multiplication. Please parents, help your students study these 10-15 minutes every night until they've mastered them.

We're learning about nomadic Indians in Arizona and writing stories using Indian symbols.

We had a reward party on Nov. 2nd for good behavior the past 9 weeks. Super job!

## CORRECT BASKETBALL DATES

There were numerous errors in last issue's basketball schedule. The following is correct:

- 2 Nov...Palominas-here
- 4 Nov...Naco-there
- 9 Nov...Elgin-here
- 10 Nov...Tombstone-here
- 16 Nov...St. David-there
- 18 Nov...Palominas-there
- 23 Nov...Naco-here
- 30 Nov...Elgin-here
- 2 Dec...Tombstone-there
- 7 Dec...St. David-here

All games start at 3:30pm. The tournament will be 9-10 December and will be held at site of team with most wins.

H.O.T.S. and K.O.O.L. Kids sponsored a very successful book fair at our school in early October. Thank you to all who participated and an especially large thank you to those book fair helpers from the community who took time from their busy schedule to help out

The most important thing we can do for our youngsters is show them the value of reading and expose their growing minds to some quality materials.

We will use some of our proceeds for much needed equipment and supplies to be shared with classrooms.

H.O.T.S. kids are working on writing and illustrating short stories. We can even print out our stories in color.

K.O.O.L. kids have been studying the moon, creepy crawly critters, and being good sports. They are reading and writing stories about their subjects.

## CARR....FOURTH GRADE

Our 4th grade class is studying Arizona while the 5th graders are learning about Indians of North America, including Southwest Indians. We made a large time-line going across the front of the room. We filled in dates so far in Social Studies and will add more to it all year as we study events in history.

Student Council and Cheerleading members meet with Congressman Jim Kolbe in HC City Park. Left -right: Amber Lee, Ashley Ray, Mrs. Corn, Tyanna Maydwell, Kolbe, Tina Malley, Joni Speer & Mrs. Goldsmith.

### MOO, BAA, AND OINK, OINK!

Mrs. Black's Kindergarteners have been reading stories about farm animals. We've sung songs, played games, and made puppets. One of our books, Rosie's Walk, is about a chicken who walks over, under, through, etc. the barnyard. So our class decided we would take a walk over, under, between, across, etc. our playground. We thought it would be fun to video tape our walk. We'll show it at a PTO meeting soon. We'll let you know when.

### P.E. HALLOWEEN FUN!

Students in grades K-3 enjoyed a Halloween Extravaganza in Mr. Dudzik's & Mrs. Bennett's P.E. Classes. We played soccer thru the "soccer ghouls", dribbled a Jack-o-lantern, tossed ghosts through a Monster's Mouth and in a Witch's Hat. We crawled through Dudzik's Dungeon and hit Mrs. Bennett's Batty Bat with a ball that had been hit by a bat (or something like that)! Anyway, we had fun and everyone enjoyed it!

### FENIMORE/BOKOWSKI...THIRD

The third graders have been learning about their bodies while coloring, cutting out, and gluing organs and body parts onto their body shapes. Lots of "oooo's" and 'grosses" can be heard in our rooms when doing science.

Last Thursday was our visit to Hunsdon Farm. The children really enjoyed seeing the vegetables growing and picking out a pumpkin to bring home. They especially liked the story Gwen told of the Gold Rush as we toured the scarecrow scenes around the fields. We were treated to some "home-grown" apple cider while we ate our lunch in the open-air barn. Some children even purchased mini-pumpkins there. Great fun and learning was had by all!

Homework Heroes for October were:  
 Fenimore: Melissa, Lizzie, Ashley, Brandon, Elaine, Bryan, Eric, Jessica, Angel, Phillip  
 Bokowski: Manny, Abe, Sarah, Ruby, James, Niki, Jeromy, Rebecca, Andrea, Salina.

### MURPHY....FIRST GRADE

We really enjoyed our journey to the Dusty A-7 Ranch in Benson. We learned all about pumpkins, corn and how they grow as a finale to our fall unit and the first term.

Our class enjoys art time especially! As part of our study of animals, we created a zoo mural, complete with animals and people all watching each other! Our masterpiece is displayed at Raymond Bliss Hospital at Fort Huachuca. We want to help our partnership unit!

Our favorite activities are: hotplate drawing, spelling tests, math center time, computer games, physical education, music and, of course, recess and lunch.

Everyone in our class is a super student, but we would like to salute Melissa Leonard and James Hinkle, who were both "Students of the Week" during our first term at Huachuca City Elementary!

### MRS. ANKROM...KINDERGARTEN

After learning about the 5 senses, Mrs. Ankrom's class wrote this story about their surprise treat:

#### Popcorn

First we smelled something. Then we heard a bang. We didn't know what it was. Then we heard some popping noises. We thought we smelled popcorn. We heard cracking noises on the left side of the room. Then Miss B. moved the poster thing and we saw the popcorn popping. The seeds were going to make the popcorn. The popcorn looked like white flowers. The inside part was brown. It felt warm and soft. The popcorn tasted crunchy and salty. It was good!
